1 were not adjudicated in the state court. And I cannot tell
2 what those were until your whole state case has been
3 adjudicated.

4 So that's what I think is the wisest thing to do. And
5 I will deny the motion to dissolve the stay, and I am going to
6 keep the stay in place. And you folks have to proceed to a
7 final judgment in state court and then come back to me, and
8 we'll take a look at whether there is indeed anything that I
9 need to do or not in this case.

10 Otherwise, you are asking me to guess right now. And
11 that doesn't seem very fruitful. And I think it's just going
12 to be expensive for you folks and could result in either
13 duplication or inconsistency.

14 So I will deny this motion to dissolve the stay for
15 the reasons I've stated here. I'm not going to do a written
16 order. I think I had discussed the issue of the stay already
17 at length in prior proceedings; so there will just be a
18 notation in the minutes that the motion is denied. Okay.
19 Thank you.

20 MR. DEL CASTILLO: And the basis for the denial would
21 be that the Court has not seen any difference --

22 THE COURT: I think I've -- the basis is what I've
23 stated today and it incorporates things that I've stated in
24 imposing the stay earlier. But what I have said earlier in
25 connection with the stay is supplemented by what I've just said
